

Moreno Valley Repeater

Moreno Valley Amateur Radio Association

January-February 2020

MESSAGE FROM THE PREZ

Thanks to everyone who supported MVARA events and attended meetings in 2019; a big welcome to the nine members who joined (or re-joined) the Club in 2019; and appreciation to those who have agreed to fill leadership positions in 2020. Rebuilding the Club has been a team effort and your support is greatly appreciated. Our Christmas Dinner at Mimi's was a great success, and enough HTs and other ham-related items were donated by members to allow everyone to go home with at least one item won in the raffle. Finally, thanks to the following volunteers at the Lake Perris boat parade "Kids Talk to Santa" event: Steve Rapata, Nikki Alexander, Rich Palmer, David Bell, Steve Evans, and Ed Nijst. And special thanks to Ed for allowing us to use his new RV as Santa's base station! Be sure to join us for Steve DeLong's January 2nd ZUMspot presentation which was rescheduled from the October meeting. We're still coordinating with Lake Perris for the February 29th first ever MVARA Antenna Field Day, so stand by for that announcement. **REMINDER: 2020 membership dues (\$25) may be paid at the January 2nd meeting or mailed to David Bell.** Thanks to all who have already renewed!
